RELEASE AUTHORIZATION

Dear Parent/Guardian:

Recent State legislation now requires schools to maintain a list of persons to whom the school may release a minor. As the child's parent/guardian, you are required to indicate the names of those people, other than yourself, to whom your child may be released. If a student is to be released to an older brother or sister, the name of that sibling must also appear on the list below. Please be sure to also include in this list the people you have identified for emergency notification on your child's health card.

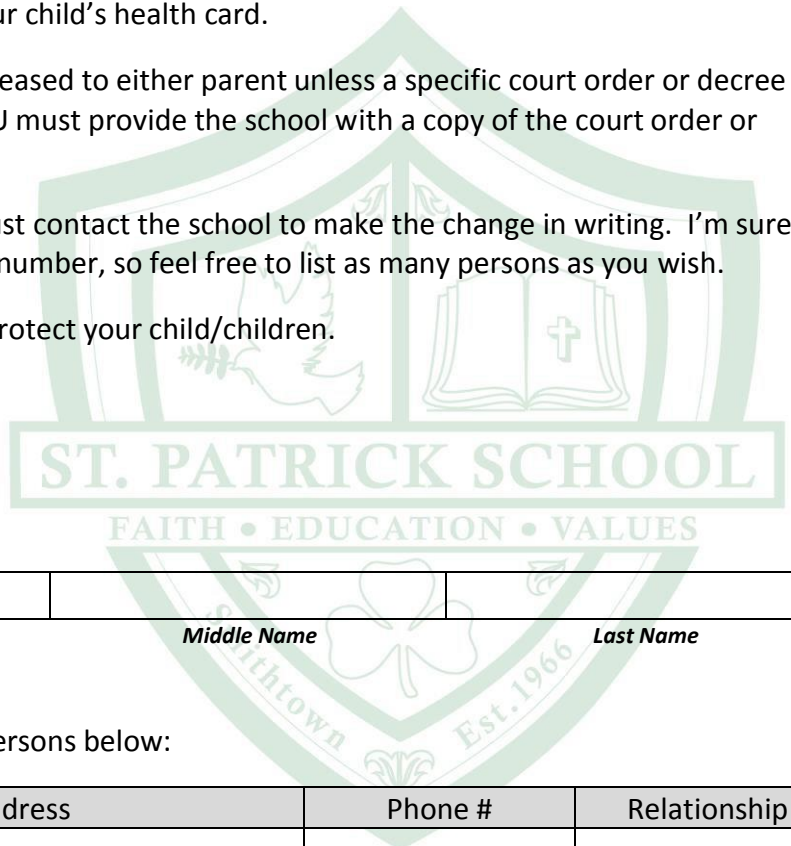

Please note that under this law a child is to be released to either parent unless a specific court order or decree indicates otherwise. Should this be the case, YOU must provide the school with a copy of the court order or decree.

If at any time you wish to amend this list, you must contact the school to make the change in writing. I'm sure you will agree that two persons is an insufficient number, so feel free to list as many persons as you wish.

Thank you for your cooperation in this effort to protect your child/children.

Sincerely,

Linda Pymm, Principal
