BOX TOP DOs and DON'Ts:

- **DO** submit your Box Tops one week before the assigned dress down day.
- **DO please** trim your Box Tops.
- **DO** make sure each box top has a visible, valid expiration date and product code.
- **DON'T** submit Box Tops without a visible, valid expiration date and product code. We won't get any credit. ☹
- **DO** paste your Box Tops to the collection sheets, there will be seasonal sheets sent home to remind you to send them in!
- **DON'T** attach any bonus sheets to the collection sheets, they need to be sent in separately.
- **DO** visit <https://www.boxtops4education.com/> to download additional collection sheets, and to enter sweepstakes to win additional Box Tops!

We will be offering service hours to those who need them, several times during the school year. Please contact Amy Rocco at amewitz@yahoo.com if you are interested, and you will receive an email when we will be having a Box-Tops counting session, or with any questions or concerns.
