

June Greetings!

Our students have been growing and learning, spiritually, academically and socially over the past 9 months and are now approaching the final weeks of the school year. The end is in sight!

As we come to the end of the year, I would like to take this opportunity to thank all our parents for allowing us the privilege of working with your children and for your ongoing commitment and support of St. Patrick School.

To our committed and dedicated faculty and staff, my sincere appreciation goes out to all of you.

To our priests, for their spiritual guidance and support – Thank you.

To Fr. Sean, thank you for being such a positive impact on our students. We wish you all the best in your new position. We will miss you.

To Fr. Thomas, “Welcome”. We look forward to getting to know you and working with you as our students continue on their spiritual journey.

To the members of our School Board, Marketing Committee and PTP, for giving innumerable hours and dedication to the continued growth of our school – Thank you.

To Mr. Ed DeRose and our incredible lunch program coordinators, - Thank you!

To all our volunteers who have enthusiastically contributed so much to our school in so many ways - Thank you!

To those students and families moving on to other adventures, we will miss you and wish you all the best.

To those families that are registered to return for the next school year, we look forward to continuing to be a part of your child's educational journey.

To our new students and families we welcome you and are grateful for the trust you have placed in us. We look forward to joining with you in the spiritual, academic and social development of your children.

And finally to our graduating 8th Grade class. This group of students is an extraordinary group of young men and women both collectively and individually, who have worked hard and have made us all very proud. I am confident that your futures will be filled with success.

Please continue to keep solid routines at home as we come down the home stretch and during the long summer days ahead. Please continue to ensure that your child has experiences in reading, writing, mathematics, and exploration of the world around them.

On behalf of the entire faculty and staff, I would like to wish you a wonderful and safe summer vacation with your children. May this be a time of creating many memories that will last a lifetime!

Sincerely,

Barbara Pellerito
Principal
