

# November

"To be grateful is to recognize the love of God in everything He has given us -- and He has given us everything. Every breath we draw is a gift of His love, every moment of existence is a grace, for it brings with it immense graces from Him." –Thomas Merton

The month of November is a time of recollection, celebration and gratitude.

On November 1<sup>st</sup> – All Saints Day, we remember and celebrate the lives of the saints.

On November 11<sup>th</sup> – Veterans Day, we remember and honor all our veterans who by their sacrifices enable us to live in a free society.

On November 22<sup>nd</sup> – Thanksgiving Day, we reflect on the many blessings bestowed upon us by God and gather with family and friends to give thanks.

As we reflect on the many things for which we are thankful, I would like to share just a few of them with you.

We are thankful for our students who come to school each day ready to learn and through their enthusiasm, hard work and dedication make us proud.

We are thankful for our priests, teachers, assistants, secretaries, nurses, and support staff who sincerely care about the achievement of our students and have the best interests of our students at heart.

We are thankful for our parents who have kept the faith in us. They continue to share their most valuable possession with us and for this, we are ever so thankful.

We are thankful for all our volunteers who enthusiastically contribute so much to our school in so many ways.

We are thankful for all the dedicated and tireless efforts of so many individuals who go above and beyond to make sure that wonderful things continue to happen in our school.

We are truly blessed! Happy Thanksgiving!
